

To Whom It May Concern:

Through this letter I highly recommend Jaap Ruibing-Moolenaar as a candidate for a position in your company. From 2005 until 2011, in his position as Lead Buyer at Jacobs Engineering at Leiden (NL), I have been Jaap's direct client contact/supervisor in the Procurement/Contracting Section at the head offices of BP Refinery Rotterdam (NL). During this time, he assisted to our Capital Projects procurement operations in his capability as Lead Buyer, performing a variety of procurement tasks and responsibilities, mainly working from the Jacobs head offices at Leiden (NL).

Jaap has proven to be a very diligent person and maintains the highest professional standards in his work. He always structured his work in a smart and well-thought-out manner, meeting the highest quality standards whilst fully securing BP's interests. He was a very reliable person and was able to handle his tasks independently and with great competence. Jaap has an eye for detail; his motivation and drive enabled him to deliver best results even under time constraints.

Based on his performance, I have no hesitations in recommending Jaap for your procurement/supply chain program.

Do feel free to contact me with questions or inquiries.

Sincerely,

Peter F. Schalk
